

THEN JESUS SAID, "COME TO ME, ALL YOU WHO ARE WEARY AND BURDENED,
AND I WILL GIVE YOU REST." – MATTHEW 11:28

GOD'S MULTIPLICATION

Last fall, the Board of Directors met in Corolla, NC, to pray and plan for 2020. Little did we know that Corolla Chapel's welcoming our team and two families' donating their houses for our lodging would bear so much fruit!

Respite for Pastoral Families

God blesses and multiplies our gifts when we put them in His hands! One week's lodging at the beach turned into three weeks! After seeing the article in the last newsletter about the pastoral family in need of a respite, another family with a house in Corolla approached us. They desired to encourage families in ministry with their house as well, so they donated two weeks at their house in August. Three families in ministry relaxed and enjoyed being together. One pastor said, "It was a blessing in every way. There was no possible way we could have had a vacation this summer otherwise."

GAIN 25 - October 12-18

Lord willing, the GAIN servant team will gather in Corolla, NC, to serve five or six families in ministry. We are looking forward to encouraging families in ministry and serving with Corolla Chapel.

PROPERTY TO PURCHASE

We are constantly hearing of the burden so many pastors are carrying during this time. Record numbers are leaving the ministry. This affects the proclamation of the Gospel as well as the edification of the Church. We desire to provide a place where pastors and their families can get away year-round for counseling, encouragement, family time, and personal time with the Lord, but we cannot do this alone. We need your help! After crossing off property after property because the structures do not meet the requirements needed to host a GAIN retreat, we believe it is best to start from the ground up. We are looking for 10-15 acres that are centrally located to activities, restaurants and stores but are removed from the "hustle and bustle" of a city. The next step will be having an architect draw plans for the facility. If you know of a location or an architect, please, contact us. Together, we can meet this need in the Body of Christ!

GAIN 24 – JUNE 22-28

After much prayer and discussion, our team felt the Lord’s leading to continue with the plan to host five families on GAIN 24 in Ocracoke. We are so thankful that God guarded all of us and this special set-aside time with Him in June.

Here are some testimonies from GAIN 24:
 “This retreat came at the perfect time for our family. The Lord used it to heal my heart after loss. It also helped to draw my family closer. It was such a blessing seeing my children so carefree and enjoying themselves. I am so very blessed to have attended!”
 “GAIN retreat is showing me that it's ok that God wants to love on me, and I do not have to perpetually panic for our needs because God enjoys taking care of His children.”

FAMILY CAMP – AUGUST 2-5

Despite COVID restrictions and a hurricane, we had a wonderful time of fellowship and connecting with other families in ministry. We received so much positive feedback: “The best part was worshipping beside my husband.” ~ “We never went to camp when we were growing up. It was great to experience it with our children. We felt like kids again.” ~ “The worship was refreshing.” ~ “We got away with family and made new friends without a financial burden.”

THE GRACE PLACE APARTMENT

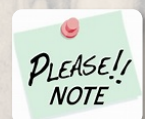

Do you know someone in ministry who would benefit from a time away with the Lord? We’d love to host them at the Grace Place Apartment in Clinton, NC. Thank you to those who have given furniture, linens, and kitchen items. So far, we’ve only hosted couples, but we would love to host families. If anyone has a comfortable twin over futon bunkbed, we would like to add that to the apartment. This would allow us to host an out-of-town GAIN family for the NOW/GAIN Family Day scheduled for this fall.
